Breanne Weatherford is the Camp Director for Camp Discovery. She is beyond excited for the opportunity to bring joy to the lives of our amazing children.

Breanne comes to us with four years of experience in summer camp planning and coordination, including taking her Girl Scout troop camping while in college to helping Girl Scout leaders plan camping trips for their girls. In addition, Breanne brings with her multiple years of program planning experience for children of all ages. Her education, which includes a BS degree in Child Development from Central Michigan University and a Master of Social Work degree from Wayne State University, has given her the knowledge to plan and organize the best possible experience for our campers to grow, have fun, and make new friends.
