

## The Aaron Gregory Riley Endowed Scholarship

While honoring Aaron Gregory Riley (OWU '11), this enduring scholarship recognizes, encourages and supports students living with epilepsy at Ohio Wesleyan University. The scholarship seeks to inspire those students to live lives more fully than they may otherwise do. Although Aaron's life was abruptly shortened by this neurological disorder, he battled to bring epilepsy out of the shadows of society. He wanted, somehow, to reduce the feelings of isolation and seclusion that people living with epilepsy and seizure disorders often experience. A gift to the **Aaron Gregory Riley Endowed Scholarship** is a tribute to Aaron's cause of bringing epilepsy out of the shadows and is an investment in OWU's future.

**The Aaron Gregory Riley Endowed Scholarship** is a part of the permanent endowment of Ohio Wesleyan University. Income only from the interest of this fund will be used to fund a scholarship awarded annually with preference to a student, male or female, who maintains a 3.0 cumulative grade point average from high school or college, and identifies as living with epilepsy in its myriad forms. The scholarship also is used to recruit students living with epilepsy and distinguish Ohio Wesleyan University as an institution of higher education seeking students with disabilities and academic competence. In the event a suitable applicant with epilepsy cannot be identified, consideration shall be given to qualified students pursuing a major in Neuroscience or other related interdisciplinary fields.

Aaron's legacy and cause of bringing epilepsy out of the shadows live on in this scholarship that embodies the generosity of his family, friends, Chi Phi Fraternity brothers, and alumni of Ohio Wesleyan University. Gifts may occur through various forms such as credit cards (online), personal checks, stock, life insurance, and real estate, and offer certain tax advantages.
