

BECOMING

SEIZURE SMART

The Epilepsy Foundation of Michigan is committed to making all environments safer for people with epilepsy. Becoming **Seizure Smart** is essential in reaching this goal. **Seizure Smart** is a comprehensive and customizable training that can cover any of the following topics:

- **Epilepsy Awareness & Seizure First Aid**
45 – 60 min
- **Hands-on Training on Rescue Medications and Devices** (e.g. rectal diazepam, intranasal midazolam, vagus nerve stimulator, etc.)
30 – 60 minutes (depending on head count)
- **Individualized Assistance with Seizure Response Planning**
30 – 45 minutes
- **Managing Students with Seizures: A Training for School Nurses***
3 hours
- **Epilepsy and Seizure Response for EMS***
90 minutes
- **Epilepsy and Seizure Response for Law Enforcement***
60 minutes
- **Seniors & Seizures***
45 – 60 minutes

**These trainings include epilepsy awareness & seizure first aid*

Who Can Benefit from *Seizure Smart*?

- Educators
- Students
- School Nurses
- Day Care Centers and Preschools
- Colleges and Universities (e.g. dorm staff, student organizations, etc.)
- Transportation Providers
- Senior-serving Organizations
- First Responders (EMS, police, fire)
- Prisons
- Employers
- Vocational Rehabilitation Counselors
- Health & Human Service Agencies
- Local Health Departments
- Places of Worship

Cost

To cover staff time and materials, a fee of \$250 will be charged (additional travel costs may apply). For presentations requested by a person with epilepsy or family member, the fee can be reduced or eliminated if needed.
