Scholarship Amount: $1,000.00
Application Deadline: May 12th, 2023
Awards Ceremony: July 2023

Eligibility:
- Must have a diagnosis of epilepsy/seizure disorder and confirmed by a letter from a physician.
- Must be a high school senior or a high school graduate between the ages of 17–25.
- Must live in Michigan. For applicants going to school out-of-state, your permanent address must be located in Michigan.
- Must provide proof of acceptance to a post-secondary academic or vocational program.
- Must submit a completed application and one letter of recommendation, preferably from an educator.
- Write a short essay regarding epilepsy.

Selection Factors:
- Strength of essay
- Strength of recommendation(s)
- How applicant has faced challenges due to epilepsy
- Community Involvement

Selection Panel:
Volunteer selection committee of 3-5 members to be determined by the Epilepsy Foundation of Michigan.
Vision: The recipient of the Dakota Pequeno Memorial Scholarship will be a student who has shown perseverance in eliminating obstacles that epilepsy and seizures may present, courage in dealing with epilepsy/seizures, community involvement, and commitment to their education. The Dakota Pequeno Memorial Scholarship is administered by the Epilepsy Foundation of Michigan.

Date of Application: ______________________

PART 1: GENERAL INFORMATION

Name: ___________________________________________________ Age: __________

(Last)       (First)             (MI)

Address: ______________________________________________________________________

(Street Address)

____________________________________________________________________

(City)     (State)      (Zip)                             (County)

Phone Number: (_____) __________ - __________ Date of Birth: ___________________________

Email Address: _____________________________________________________________________

Are you currently being treated by a physician for epilepsy? {  } Yes {  } No

PART 2: ACADEMIC RECORDS

Name of High School: _______________________________________________________________

Expected graduation date: ______________________________________________________________________

Address of High School:

________________________________________________________________________________

(Street Address)

____________________________________________________________________

(City)                     (Zip)                          (County)
Universities, colleges, vocational schools where you have applied and have been accepted:

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

List any academic or school awards that you have received:

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

PART 3: COMMUNITY INVOLVEMENT

Describe your participation in any activities, organizations, sports, and group or community service:

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

__________________________________________________________________________

PART 4: SHORT ESSAY

Write a brief essay about your experience dealing with epilepsy. For example: How have you overcome the challenges of having epilepsy, either personally, socially, or academically? What does having epilepsy mean to you? How have you turned your experience into something positive? You may also choose your own epilepsy related topic. Please answer in 300 words or less on a separate page. Must be printed or typed.

PART 5: ENCLOSURES

1. Submit one letter from your physician confirming your diagnosis of epilepsy/seizure disorder.

2. Submit at least one letter of recommendation. The Foundation would prefer the letter of recommendation come from an educator, but other sources will be accepted.

3. Attach a copy of your university, college, or vocational school acceptance letter(s), or confirmation of enrollment.

4. Short essay.
PLEASE READ AND SIGN

I hereby certify that the facts set forth in the above application are true and complete to the best of my knowledge. I understand that completing this application does not ensure approval for a scholarship. I also grant permission for the Epilepsy Foundation of Michigan to use any photos and my short essay for submission in publications.

Applicants Signature: ___________________________ Date: _________________

Opportunities are provided solely on individual merit of applicants related to scholarship requirements and without regard to religion, creed, race, national origin, gender, or sexual orientation.
